

Co-Developing For Inclusion and Mobility

Krishnan Rajagopalan | Head – Country Implementations

MOSIP Community

Welcome to MOSIP community

We're happy to have you here. If you need help, please search before you post.

How can you benefit
from the community
engagement?

Three Case Studies

01

Android Registration Client (Ethiopia)

02

Unified Login System (Cambodia)

03

Resident Services Over USSD (Ethiopia)

What were the benefits gained by co-developing with MOSIP?

What were the benefits gained by co-developing with MOSIP?

How did you prepare your engineers for open-source co-development?

How do you know where to start, what technology to adopt, and how to go about the design and development?

HOW?

- Communication
- Code Contribution
- Code Review and Acceptance

When you work in a team inside an office, you know that there is progress, you see that, what has been your experience in the open source development model?

Key Learnings?

Major Challenges?
