

Delivering Impact with INJI: Adoption Experience

Format: Panel discussion + Presentation, Brainstorming

Date: 11th / 12th February, 2025

Duration: 70 mins (Incl. Q&A)

Max. no. of Participants: 40

Presenters: MOSIP Team, South Africa, Brazil, Partners - Ooru, Others

Objective:

To provide a platform for INJI adopters to share their end-to-end adoption journeys—covering motivations, implementation approaches, successes, and challenges—while also hearing perspectives, questions, and insights from the audience, enabling participating countries and system integrators to learn from practical experiences and make informed decisions when adopting and building wallets or applications using INJI modules.

Target Audience:

- Countries willing to adopt Inji
- System Implementors of Inji
- Partner eco-system

Session Outcomes:

- Gain an understanding of how Inji modules can be used to build wallets and applications
- Learn from real-world implementations and success stories
- Identify common challenges in building with INJI and practical ways to address them
- Have clarity on adoption, integration, or collaboration with the INJI ecosystem
